WORK SOON TO START ON MESA RESIDENCES

MESA, Nov. 24.—With twenty-one acres of its property lying within the city limits in the northwest part of town, cleared during the past week, several new residences by the Southside Building and Loan association. The contract for three of the 21 residences, to comprise the new bungalow court, has already been let and the preliminary details to their construction have already been completed, permitting the foundation work to start today.

The association has kept a force of men busy all of the past week clearing its property from La Jolla, California, lots recently purchased from Frank E. Bellamy, and Mrs. Sarah Radell. Twenty-one acres were cleared and improved during the week and the work is to be continued until all of the association property has been renovated and made ready for building.

Thursday, Friday and Saturday at the Orpheum in Mesa and Sunday and Monday in Tempe. A special orchestra will play at each of the evening performances.
